Lightbox 3 Demo Quick Installation Guide

Installation of the Lightbox 3 demo couldn't be easier; this guide includes instructions on importing demo content which populates Lightbox with multi-media items so you can easily demonstrate how the software works. All of the installation files are available to download on the **Lightbox 3** product page in the **Downloads** tab.

<https://www.interpretationshop.co.uk/product/lightbox-3/>

Step 1:

Install the Lightbox 3 Demo.

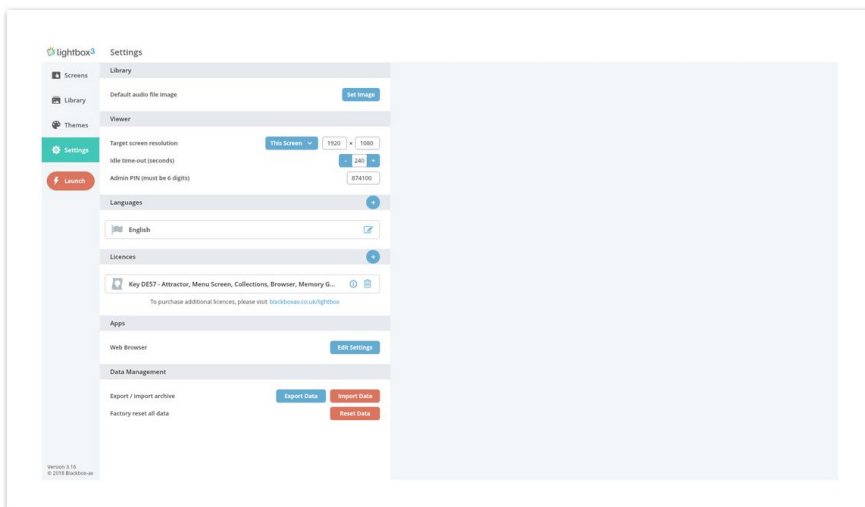

Step 2:

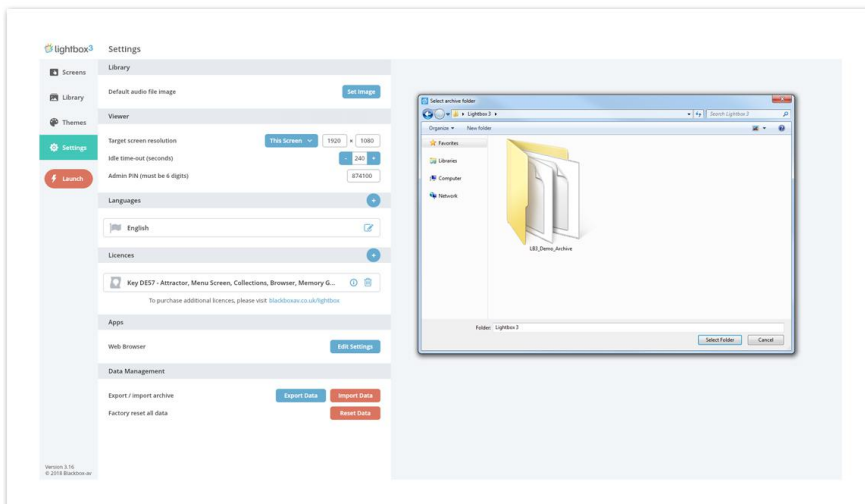

Locate the Lightbox 3 Demo Archive Folder.

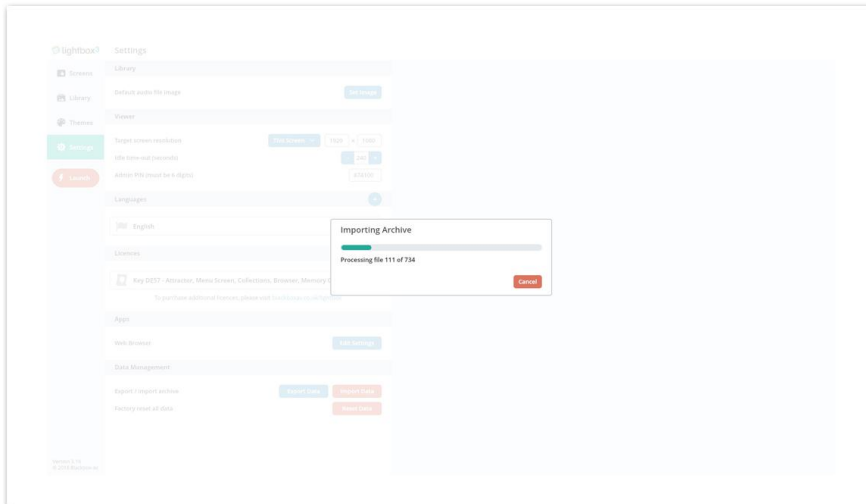

Step 3:
Launch Lightbox 3

Step 4:
**Head to the “Settings”
tab and press “Import
Content”.**

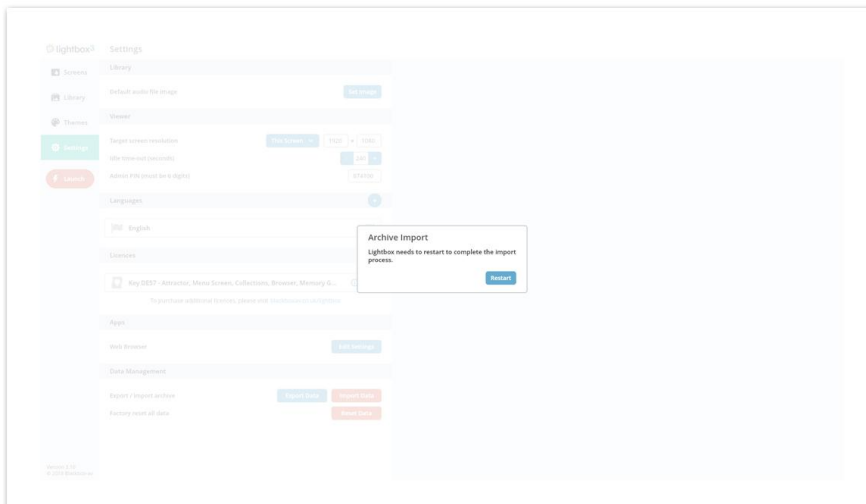

Step 5:
**Locate the Lightbox 3
Demo Archive, Highlight
the folder and press
“Select Folder”.**

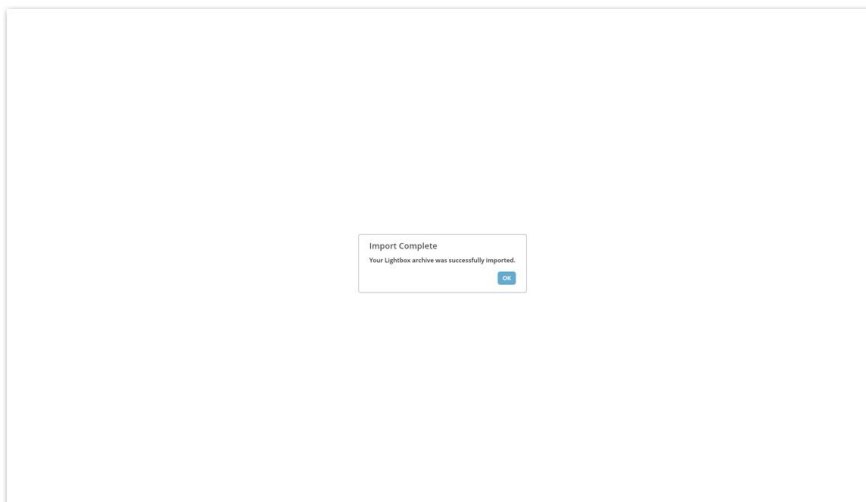

Step 6:

Lightbox will then import the Demo Archive.

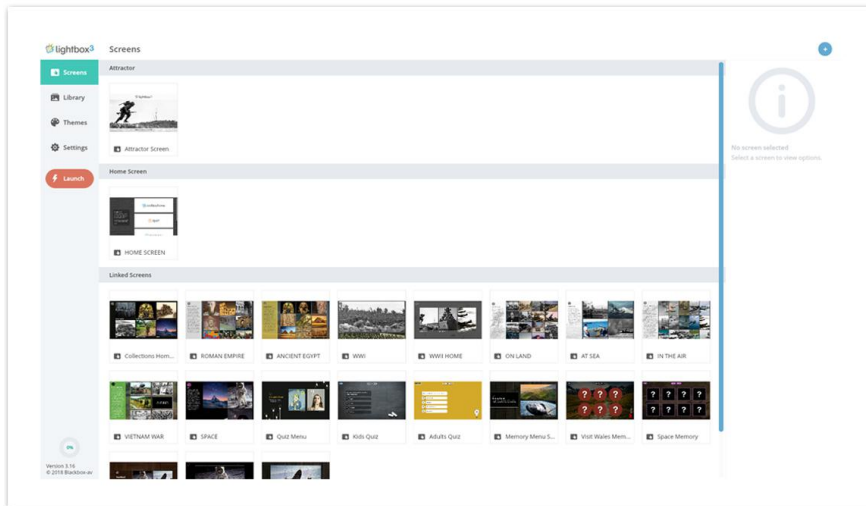

Step 7:

Once completed, Lightbox 3 will need to restart. Hit the “Restart” button to start this process.

Your Archive has now been imported!

Now you get to enjoy the Demo of Lightbox 3!
