

CONNECTOR COLLAR

We have designed this connector collar to supply to existing U-Turn customers. This collar fits the old style pole so its an easy to upgrade to the U-Turn Round.

EXPORT COLLAR

If you are based outside the UK for us to ship a pole will be quite costly, so we to save you money we sugest you make a basic pole to the following specifications. We then supply this export collar which contains the complex connections to hold the U-Turn Round in place.
