

15" Open Frame Video Screen

Product Code: MOF15.6

1 All-in-One Screen & Media Player
The All-in-One solution supports video, images and audio in a small compact manner.

2 Wing Mount
The on board fixing wings allow easy mounting to bespoke units.

3 Speakers & 3.5mm Jack
The 15VS is capable of outputting to both speakers and headphones at the same time.
Disable speakers via the switch at the bottom of the screen.

✓ Button Activation
Play content in a looping fashion or program for push button activation (up to 10 activation buttons and 2 volume buttons).

✓ Storage
The 15VS is supplied with an 8GB USB for your content.

! NOTE:
Windows OS is required to program your U-Turn Round using a PC or Laptop (XP – 10).
MacOS is not supported due to hidden files generated by the OS.
