

22" Wall Mounted AV Point - Modern

1 22" Video Screen
Display button selection and media content via the 22" HD display.

2 Wall Bracket
The supplied VESA mount allows secure installation to a wall.

3 Magnetic Hanger
If purchased with Handset(s) securely store when not in use via the unique magnetic hangers.

4 Armoured Cable
If purchased with the Handset(s), the audio cable is protected by a 1.25m stainless steel braided outer cable. With heavy duty strain relief offering further protection.

5 Connection Buttons
With 10 buttons linking to 10 individual tracks as standard, there's also dedicated volume up and down buttons.

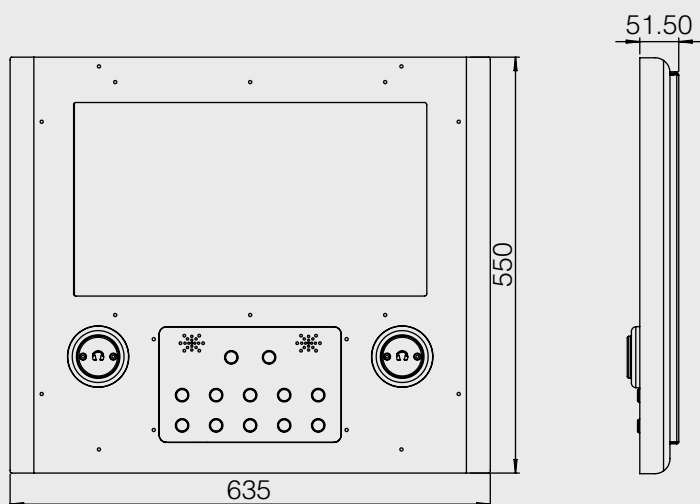

✓ Holding Screen
When button content isn't playing, a holding video/image will be displayed. This can act as a call to action to invite visitors to interact.

Options

6 Output
You have the choice of 1-2 Heavy Duty Handset(s) or 2 x 3w amplified 4ohms Speakers.

✓ Branding Labels
Customise your handset with optional printed labels.
