

22" Open Frame Video Screen

Product Code: MOF22

1 All-in-One Screen & Media Player

The All-in-One solution supports video, images and audio in a small compact manner.

2 Wing Mount

The on board fixing wings allow easy mounting to bespoke units.

3 Speakers & 3.5mm Jack

The 22VS is capable of outputting to both speakers and headphones at the same time. Disable speakers via the switch at the bottom of the screen.

✓ Button Activation

Play content in a looping fashion or program for push button activation (up to 12 activation buttons).

✓ Storage

The 22VS is supplied with an 8GB USB for your content.

! NOTE:

Windows OS is required to program your U-Turn Round using a PC or Laptop (XP – 10). MacOS is not supported due to hidden files generated by the OS.
