

AutoPlay Heavy Duty Handset - Hearing Loop & Magnetic Hanger

Product Code: H-H-H-AP-HL

1 Armoured Cable

The audio cable is protected by a 1.2m stainless steel armoured conduit cable. With a heavy duty strain relief offering further protection.

2 Magnetic Hanger

Securely store the handset when not in use with the impact resistant magnetic base. Easily fit to any flat surface with provided screws.

3 T-Coil Technology

The in-built T-coil system paired with 16Ω speaker elements provide high clarity audio compatible with hearing aids.

4 Trigger Cable

To allow AutoPlay functionality, the handset is supplied with a trigger and splitter cable (supports our range of SoundClip and VideoClip players).

5 3.5mm Jack

Simply connect to your audio playback device via the 3.5mm jack.

6 90° Swivel Knuckle

The supplied swivel knuckle is used to fix the handset in place, offering a secure anchor point and preventing cable fracture.

✓ AutoPlay Functionality

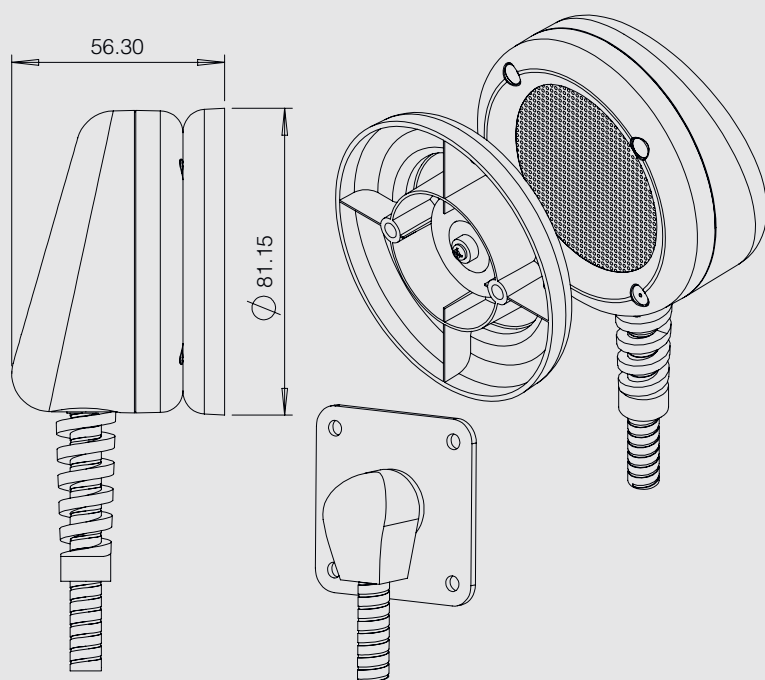

The magnetic hanger operates as a sensor, triggering content upon pickup and stopping playback when replaced.

✓ Optional Printed Label

Customise your handset with optional printed labels.

Technical Information

Package Weight	503g
