

Installation of the Lightbox 3 demo couldn't be easier; this guide includes instructions on importing demo content which populates Lightbox with multi-media items so you can easily demonstrate how the software works. All of the installation files are available to download on the Lightbox 3 product page in the Downloads tab.

https://www.interpretationshop.co.uk/product/lightbox-3/

Step 1:

Install the Lightbox 3 Demo.

Step 2:

Locate the Lightbox 3 Demo Archive Folder.

Step 3:

Launch Lightbox 3

a lightboxa	Sectings
