

Solar Audio Post - Wooden

Product Code: SAP-W

1 4 Solar Panels
Built into each side of the wooden Solar Post, providing optimal exposure to sunlight throughout the day.

2 2 Buttons
The Solar Audio Post provides 2 activation buttons. Buttons can play a single track, or up to 3 tracks on each button sequentially.

3 Playback Statistics
Get an insight into Visitor Statistics via the in-built setting.

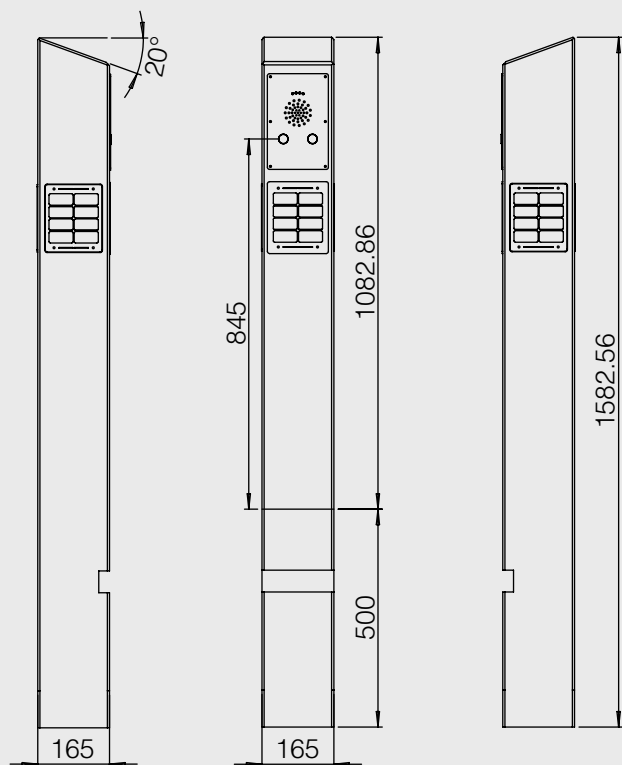

4 Wooden Structure
Constructed from tanalised timber, the post is built last.

Options

5 Top Plate Customisation
Add a fully customisable, laser etched plate to the top of the post.

6 Front Plate Customisation
Provides the post with a laser etched list of content on each button, instructions or even logos.
