U-Turn Round Oversized Through Panel

1 Oversized Front Plate
The oversized front plate allows the U-Turn to be slotted through a panel and fitted into place.

2 No Mains Power
Wind the handle to play your message.

3 Add up to 8 Messages
Share up to 8 selectable messages - all easily programmed via the supplied USB programmer.

4 Fantastic Sound Quality
The U-Turn offers great sound quality with a programmable volume level.

5 Customised Batwings
Add a track list and other graphics to the U-Turn with customisable batwings.

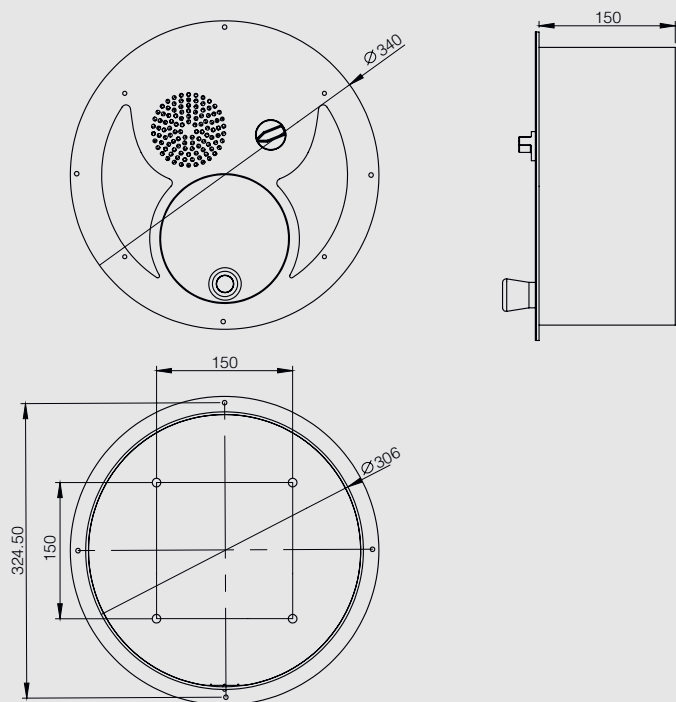

6 Easily Programmable
Using the supplied USB programmer you are able to set and change the 8 tracks as you wish.

✓ Weather & Vandal Resistant
Constructed from marine grade stainless steel, the U-Turn is weather and highly vandal resistant.

✓ Suitable for any location
Suitable for both indoor and outdoor use.

! NOTE:
Windows OS is required to program your U-Turn Round using a PC or Laptop (XP – 10). MacOS is not supported due to hidden files generated by the OS.
