U-Turn Round

- 1 No Mains Power**
Wind the handle to play your message.
- 2 Add up to 8 Messages**
Share up to 8 selectable messages - all easily programmed via the supplied USB programmer.
- 3 Fantastic Sound Quality**
The U-Turn offers great sound quality with a programmable volume level.
- 4 Customised Batwings**
Add a track list and other graphics to the U-Turn with customisable batwings.
- 5 Easily Programmable**
Using the supplied USB programmer you are able to set and change the 8 tracks as you wish.

- ✓ Weather & Vandal Resistant**
Constructed from marine grade stainless steel, the U-Turn is weather and highly vandal resistant.
- ✓ Suitable for any location**
Suitable for both indoor and outdoor use.
- ! NOTE:**
Windows OS is required to program your U-Turn Round using a PC or Laptop (XP – 10). MacOS is not supported due to hidden files generated by the OS.
